FRANKFURT, GERMANY--U. S. MILITARY INTELLIGENCE AGENTS WHISKED A POLISH AIR FORCE MAJOR OFF TO THEIR HEADQUARTERS TODAY AND BEGAN QUESTIONING HIM ABOUT HIS FLIGHT IN A STOLEN PLANE FROM HIS COMMUNIST HOMELAND TO WEST BERLIN.

OFFICIAL AMERICAN SOURCES TACITLY CONFIRMED MAJ. RYSZARD OBACZ, 34, WHO FLED WITH HIS FAMILY YESTERDAY, WAS UNDERGOING INTERROGATION AT HEAVILY-GUARDED CAMP KING SIX MILES FROM HERE.

AT WEST BERLIN, A POLISH MILITARY MISSION SPOKESMAN SAID OBACZ "WILL REGRET HIS DECISION, HE HAS LEFT A WELL-PAID AND SECURE POST AND HAS GONE TO AN UNCERTAIN FUTURE. HE ISN'T A MAN TO BE TAKEN SERIOUSLY."

HOWEVER, THE SPOKESMAN ASKED UPI HOW TO GO ABOUT ASKING FOR THE MAJOR'S RETURN.

"WE HAVE NEVER HAD SUCH A CASE BEFORE AND DON'T KNOW THE PROCEDURE," HE SAID.

THE U. S. ARMY'S CAMP KING, IN THE FOOTHILLS OF THE TAUNUS MOUNTAINS, IS THE HOME OF THE 513TH MILITARY INTELLIGENCE GROUP. U. S. AIR FORCE AND ARMY SECURITY AGENTS TOOK THE MAJOR, HIS WIFE, AND TWO SONS TO THE CAMP LAST NIGHT FROM WEST BERLIN WHERE HE LANDED HIS LITTLE TS-8 TRAINER PLANE YESTERDAY AFTER THE FLIGHT FROM POLAND.

CENTRAL INTELLIGENCE AGENCY MEN WERE SAID TO HAVE JOINED THE ARMY AND AIR FORCE INTELLIGENCE AGENTS QUIZZING THE PILOT.

IT WAS REPORTED THE AMERICAN AGENTS HOPED TO LEARN FROM HIM DETAILS OF THE POLISH AIR FORCE JETS HE HAS FLOWN.

POLISH FIGHTER CRAFT ARE MADE IN RUSSIA. THE POLKS ARE SAID TO HAVE BEEN EQUIPPED WITH THE LATEST MODELS OF SOVIET MIG FIGHTERS, CAPABLE OF 1,500-MILE-AN-HOUR SPEED--TWICE THE SPEED OF SOUND.

IT APPEARED CERTAIN OBACZ, WHO SAID HE FLED BECAUSE HE WAS "FED UP" WITH COMMUNIST LIFE, WOULD BE ASKED ABOUT THE INTRICATE SOVIET RADAR NETS HE DODGED TO REACH THE WEST BERLIN TEMPLEHOF AIRFIELD. UNDOUBTEDLY, THE MAJOR COULD FILL OUT WESTERN KNOWLEDGE OF COMMUNIST AIR STRENGTH, LOCATION OF AIR BASES, AND WHETHER THE POLISH AIR FORCE IS EQUIPPED WITH NUCLEAR CAPABILITY.
